

Dear Parents/Carers,

In preparation for the lovely summer we are going to have (!) please be informed of our following procedures with regards to sun tan lotion.

For children that attend half days (mornings or afternoons) we request that sun tan lotion is applied before they arrive for their session. Please note that we do not assume responsibility for applying sun tan lotion and it WILL NOT be automatically applied to your child whilst he /she is at Nursery if attending half days.

If you currently pay for extended sessions on some days which means your child attends on the odd full day please see the "Full day" letter which contains the necessary permission slip that enables us to apply lotion half way through the day.

Sun Hats – please can you also ensure that you put a named sun hat in your child's bag each day.

Many thanks for your co-operation.

Kind regards

Lanterns Nursery School & Children's Centre
